

WHAT VINNIE'S CLIENTS SAY

"Going to the hospital, I felt like I lost my purpose, my health, and my lifestyle. After my successful claim, it felt like hitting the jackpot. Your advice gave me a reason to smile, appreciate my family, and enjoy life again."

STRATEGIC COACH

Vinnie Nand

Financial Adviser

Vinnie is passionate about helping clients turn their financial dreams into reality. With experience as an adviser for one of New Zealand's largest insurance companies, a wealth specialist at ANZ, and time with Air New Zealand, he brings a unique blend of financial expertise, strategic thinking, and a people-first approach to his coaching.

For Vinnie, financial success is not just about numbers. It is about transforming his clients' relationship with money. He believes in building bridges, not barriers, and takes pride in empowering people with the confidence, knowledge, and tools they need to achieve lasting success. His coaching style is all about connection, authenticity, and making a meaningful impact.

Born in Fiji but raised on Auckland's North Shore, Vinnie finds joy in the simple things, whether it is morning swims, sunrise views from Takapuna Beach, or long walks with his husky, Bladie. When he is not coaching, you will find him fishing, hiking, or spending time with family and mates.
